

NAME: Rebecca Avila
OCCUPATION: City Treasurer/Teacher

Dear Voters:

I am a woman dedicated to my family, my work, my church, and my community. I have been married to Manuel for 40 years. Our three children were born and raised in Huntington Park and have been a Teacher for 30 years.

I have been involved in the life of our City. I was appointed as your City Treasurer in July 6, 1998 and elected by the people in March 2001. I have served six years with dedication, responsibility and honesty. Now I want to be a member of the City Council and represent you.

As a Councilmember, I will be able to make our City a better place to live keep the streets clean and combat graffiti; to bring programs for our children; after school programs and affordable child care; to look after our senior citizens, their housing and transportation; to support our local business; to increase our City revenues; to secure our City financially and expand our commercial district.

I thank you for your confidence in the past and respectfully ask for your vote. I want to be your Councilmember. I want to work for you.

Thank you.
Rebecca Avila
