

ELBA GUERRERO

Occupation: Contract Administrator

AGE: 48

I will be a voice for the people!

Stability and commitment are prominent in my life: A Huntington Park resident for 36-years, a graduate of Miles Elementary, Gage Junior High and Huntington Park High; married 27 years, 3 children, employed in the railroad industry for 26 years.

As a member of the City Council, my priorities will be:

Education: enriching the quality of our children's education and improving student achievement, by bringing together the council and the LAUSD to expand education opportunities, establishing new incentives for students, such as recognition awards and scholarships. Our children are our future!

Senior Citizens: improving the overall quality of life for the elderly and disabled and encouraging youths to volunteer in the senior centers.

Parks and Recreation: improving park activities by providing more recreation programs, summer camps, and expanding the after school care programs.

Provide balance representation to the Westside of the City.

Guerrero is an active caring community member:

Vice-Chair, Arts & Culture Commission
Vice-President, Families Fighting Against Cancer
Secretary, Sister Cities Association
Member of Women's Guild
Extensive involvement with St. Matthias Parish Activities

Make Guerrero your choice to ensure the prosperity and safety of our City
