

Candidate's Statement

RUBEN M. LOPEZ

I have been a resident of Huntington Park for more than 15 years. My wife Veronica and I have four (4) children and four (4) Grandchildren. I attended local Parochial Schools and received an Associate Degree in Architecture at Los Angeles Trade Technical College and a Bachelor of Science Degree in Urban Planning from California State Polytechnic University in Pomona. I have over 28 years experience working for three (3) different cities in the areas of Economic Development, Redevelopment, Planning and Zoning, Grant Writing and Housing Programs. I have been a Department Director for the last 15 years. I serve on the Board of Directors for a local employees' credit union, and two (2) non-profit corporations serving the economic and housing development needs in the Southeast area.

I know how city governments function and feel that with my experience I can help our community prosper. We need government reform and priorities set to bring all segments of our Community to the next level. We need to work together for positive changes. Please vote for me in the March Election.
