With many years of community service and serving my country as a U.S. Marine, I proudly acknowledge my **ABILITY** and **WILLINGNESS** to Represent **YOU** as a City Councilman for the City of Huntington Park.

I strongly **BELIEVE** that the **Unity** and **Growing Success** of a Community is the Major emphasizes of **DEFENDING** and **STRENGTHENING** our local Police Department. With your **VOTE**, I will firmly **DEFEND** and add **MORE** Police Officers to the Streets and Neighborhoods of our Growing Community.

With new Schools Opening and our City being the **HOME** to the second **LARGEST** Elementary School in the United States, I find the need to Add **MORE** Children Programs. The Children are our Future. As Councilman, I will Vow to see that State and/or Federal Funding is Secured for the Purpose of After School and Vacation Programs.

In **TAKING CARE** of our **SENIOR CITIZENS**, I will do the Impossible to Meet their Needs and Concerns. To them, we owe our Past. As great abiding Citizens, they ensured us the Way to the future for which is our **TODAY**.
