Elba Romo
Occupation: City Clerk

I have lived all my life in Huntington Park. My parents taught me to appreciate and love our city. My mother would take me everywhere she went volunteering for the schools and non-profit organizations. I learned from her to serve others with dedication and commitment.

It was her sense of excellence that motivated me to do well in school. I was honored to be the valedictorian at Huntington Park High School and fortunate to attend Stanford University, where I earned a Bachelor's and Master's degree. Today, I am privileged to teach Advanced Biology and Physics in high school. Additionally, I hold a real estate broker's license.

My strong community involvement was decisively recognized by the city council when they first appointed me Parks & Recreation Commissioner and later City Clerk.
I have worked daily to improve the quality of life for all of us, but more needs to be done.

I wholeheartedly believe that our city has so much more to accomplish. We can have the parks our children deserve, the programs our senior citizens need, and more importantly, the safety we all demand. Together we can do it. I ask you to please vote for me. Please VOTE ROMO.
